WEDDINGS/EVENTS

No need for decorating with the natural beauty of an outdoor wedding in the Filberg Park. Different areas of the park will suit a small or large group (up to 150 guests) for a ceremony, and photos. These areas include:

Symbiosis

Symbiosis is a quiet area where a driftwood sculpture frames a sea view and you can enjoy the aromas of the Herb Garden during your wedding. This area is suitable for wedding parties of up to 25 guests.

Arbor Area

An alternative for larger groups is the natural bridal aisle of the Grape Arbour. The Arbour area is perfect for larger weddings of up to 150 people.

Upper Meadow

Above the herb garden, the upper meadow is a breathtaking, wide open space, overlooking the Filberg Tea House and the Comox Harbour. This space will accommodate 150+ guests.

The Lodge

Cozy and inviting it is the perfect venue for a small intimate wedding. The Lodge can accommodate a sit down dinner for 20 people or 45 persons for a buffet-style dinner or cocktail reception.

Lower Garden (Ceremony & reception venue)

Brides can make a memorable entrance down the rustic stone stairway to meet their groom in the Lower Garden, where the stately Sycamore, Cedar and London Plane trees provide a natural shaded area close to the water. The maximum capacity in the lower garden is 100 guests. *If booking a ceremony and reception both will be in this location.*

RECEPTIONS:

Wedding receptions can be held on the lower garden only.
