

The Filberg Gift Shop once again reports that 2019 was an excellent year surpassing the previous year by an excellent percentage. We depend on donors for the majority of our stock and the donations have been generous and of good quality. Thank You to all who choose to share their treasures. We have chosen to increase our days of opening in 2020 and again have remained open on the week-ends during Jan. Feb. and March which has proved to be profitable and keeps the Lodge open and vibrant. None of these things would be possible without the loyalty and enthusiasm of our volunteers and it our privilege to work alongside the Tour Guides and the Garden Group. My THANKS for all you do.

Respectfully Val Graham.
