Protocols and Procedures: Arrival – Volunteers

(Dec. 7 update) the provincial health officer has issued an order that includes a requirement for employers in all regions to ensure that every worker (including volunteer workers) consent to a daily health check before entering the workplace.

- The Gift Shop Team Leaders (Anne Marie Bowen, Mo MacKendrick, Norma Dean, Carol Anderson, Gayle Lindsay and Donna Dejong) will verbally screen all volunteers upon entering the Lodge to confirm that:
 - They are not currently exhibiting flu-like symptoms such as fever, tiredness, cough or congestion
 - They have not returned from outside of the province in the past 14 days
 - To the best of their knowledge, they have not been in contact with someone with a confirmed or probable case of COVID-19
 - They will be compliant with all protocols and procedures

- A volunteer who does not pass or does not consent to the daily health check will be sent home.
