

Filberg Heritage Lodge & Park 2022 AGM

2021 Filberg Festival Report

In conjunction with the Filberg Festival Taskforce, the Board of Directors decided to cancel the 2021 Filberg Festival after months of work and discussions. The continuing Covid-19 pandemic and the increased financial risk of trying to plan a festival in that current climate. The Board of Directors chose to use the time as an opportunity to refocus their model and begin work on the 2022 Filberg Festival.

The Board of Directors, staff, volunteers, and MRG Events regrouped in the Fall of 2021 to discuss the 2022 Filberg Festival.

Respectfully Submitted,

Linda Thomas, Executive Director
