

Filberg Festival 2022 Report

Filberg Festival returned after a two-year hiatus due to COVID. The Festival took place over three days, July 29 - 31, 2022. The Festival hosted 37 recording artists performing on two stages, over 100 artisans that featured fine art, jewelry, glass, metalwork, apothecary, textiles, and more, and saw 15,000 eventgoers come to the Park. Raising a record \$75,718 that will be used for the restoration and maintenance of the Lodge and Park.

The Executive Director started working with MRG Events in November 2022 to plan for the 2023 Filberg Festival that will be held August 4 – 6, 2023. We look forward to another spectacular year.
